About Srinagar

Srinagar is the summer capital of the state of Jammu and Kashmir and is the first stop for most travellers to Kashmir; and with its great lake and meandering river, its exquisite pleasure gardens and romantic shikara rides, the old-world charm of its houseboats and the ageless grace of its architecture, the city is a fitting introduction to the many enchantments of the valley. The vast Dal lake is, of course, Srinagar's emblematic feature, and its deep waters carry the most popular of Srinagar's attractions: houseboats and shikaras.

On the shores of the Dal are the great Mughal Gardens, glimpses into an earthly heaven of many-hued flowers, carpets of grass and playful fountains. On the two great hills that overlook the city and the lake – Hari Parbat (Kohi-e-Maran) and Shankracharaya (Takht-e-Sulaiman) are reminders of the city's eclectic past: graced with ancient temples and medieval mosques, imposing fortress walls and simple, quiet shrines.

The markets of Srinagar offer a vast variety of the most refined crafts – from pashmina shawls, as light and soft as the breeze that blows across the Dal, to intricately handwoven carpets, delicately carved woodwork and glittering copperware. For those who wish to squeeze a little more of Kashmir into their stay, Srinagar is within comfortable driving distance of several popular sites. Horse-riding through the meadows of Gulmarg, angling in the cold waters of the Lidder river at Pahalgam, the spellbinding beauty of Sonamarg and the architectural treasures of Pandrethan and Parihaspura, these can all be experienced as day-trips from Srinagar. Whether you spend your time in Srinagar exploring its many facets or simply unwinding by the lake, you will find yourself carrying home memories of a gentle, refined beauty that braces the senses and unclutters the mind.

Places of Interest in Srinagar - Kashmir

Dal Lake

Dal Lake is a lake in Srinagar, the summer capital of Jammu and Kashmir. The urban lake, which is the second largest in the state, is integral to tourism and recreation in Kashmir and is named the "Jewel in the crown of Kashmir" or "Srinagar's Jewel". The lake is also an important source for commercial operations in fishing and water plant harvesting.

Pari Mahal or The Fairies' Abode is a seven terraced garden located at the top of Zabarwan mountain range over-looking city of Srinagar and south-west of Dal Lake.

Pari Mahal

Nishat Garden

Nishat garden is a terraced Mughal garden built on the eastern side of the Dal Lake with the Zabarwan Mountains as its backdrop, Nishat Bagh is a garden of bliss that commands a magnificent view of the lake beneath the snow capped Pir Panjal mountain range that stands far away to the west of the valley.

Gulmarg's legendary beauty, prime location and proximity to Srinagar naturally make it one of Asia's premier hill resorts. Today, Gulmarg is not merely a mountain resort of exceptional beauty but also the country's premier ski resort in winter when it is covered in snow. Gulmarg boasts Asia's highest and longest cable car. The two-stage ropeway ferries about 600 people per hour to and from Kongdoori.

Gulmarg

Pahalgam

PAHALGAM - The Valley of Shepherds is Kashmir's premier resort, cool even during the height of summer when the maximum temperature does not exceed 25 deg C. Around Pahalgam are many places of interest, and the most beautiful of these is the huge, undulating meadow of Baisaran, surrounded by thickly wooded forests of pine. "Betaab Valley", on the way to Chandanwari, is an idyllic spot for a picnic. Filmgoers will recognize it instantly as it has been the location of several movie scenes. Aru, 12 kms from Pahalgam, is a picturesque meadow and base point for trekking to Kolhai glacier, Katar Nag, Lidder Watt and Trasar & Marsar Lakes. Pahalgam is also associated with the annual Amarnath Yatra. Chandanwari (2,895 m), 16 kms from Pahalgam, is the starting point of the yatra that takes place every year.
